Listening A2
Reading A1
Writing A1
Spoken production A2
Spoken interaction A2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

ORGANISATIONAL SKILLS

Technological Competencies

During my free time I actively develop new applications in a full stack capacity to be up to date with new technologies and to be constantly learning. I've therefore handled all other aspects of development (setting up and maintaining a server, SSL certificates, deployment, etc.), granting me a high grade of adaptability and learning ability.

Keenly aware of new tools in form of AI for agile programming and better code, but always with responsibility as to avoid pitfalls like not understanding the code base, reducing maintainability, etc.

Link https://github.com/lorenzharfst

Social Competencies

I always maintain a good attitude (be it with clients or coworkers) and I very much enjoy good teamwork. Keenly aware that cultivating a good and harmonious atmosphere in the workplace is vital to its performance.

DRIVING LICENCE

Driving Licence: B (Own car)

RECOMMENDATIONS

Paul Fleming CEO of Barcelona Virtual

Were you to ask me to choose one word to define Lorenz and his work, that would be RELIABLE. He is conscientious, well-organised, disciplined, and detail-oriented. Lorenz is respected by clients, values continual improvement and training and is a fast learner.

I enthusiastically recommend him to any company looking for a committed and dedicated developer who focuses on high-quality work, which leads him to constantly evolve and innovate.
